Local Educational Agency (LEA) Policy: In order to receive Title I funds, an LEA must implement programs, activities and procedures for the involvement of parents of children participating in Title I programs. The LEA needs to plan and implement programs with meaningful consultation with parents.

The LEA:

- _____ developed a written parent involvement policy jointly with parents of participating children.
- _____ agreed on the written parent involvement policy with parents of participating children.
- _____ distributed the written parent involvement policy to parents of participating children.
- _____ incorporated the parent involvement policy into the LEA Consolidated Plan.

The LEA Consolidated Plan established the LEA's expectation for parent involvement and described how the LEA:

- _____ involves parents in the joint development of the plan;
- _____ involves parents in the process of school review and improvement;
- _____ provides coordination, technical assistance and other support necessary to assist participating schools in planning and implementing effective parent involvement activities to improve student academic achievement and school performance;
- _____ builds the schools' and parents' capacity for strong parental involvement;
- _____ coordinates and integrates parental involvement strategies under Title I with other programs;
- _____ conducts, with involvement of parents, an annual evaluation of the content and effectiveness of the Parent Involvement Policy in improving the academic quality of Title I schools; and
- _____ involves parents in the activities of Title I schools.
